Hello Nate,
Just so you know, Tropical Creations contract period ended on or about 3/8/13. Due to circumstances beyond UFD control, there was a delay in awarding the new contracts, therefore, causing a lapse in servicing intervals.

The contract was recently awarded and True Green Landcare (TGL), contractor, authority/notice was given to commence contract last Monday 5/13/13. Sepulveda Bl medians are scheduled to be serviced by contract forces on Wednesday 5/22/13 and contractor is required to report all irrigation problems.

Regards,
H
